“I worked together with Mikael in the TC Europe team for Gemalto where Mikael provided the technical support for some of our customers in Scandinavia. Mikael has several years of experience in the SIM card implementations. During these years he has setup very good relationship with our customers and he got very good technical knowhow on (NFC) SIM cards..

Mikael has a very good mix of soft skills and technical knowledge.

Mikael is a very nice person to work with and would recommend if someone is needed with direct (NFC) SIM knowledge.” May 7, 2012

Support på SAXO Institutet og vagt på IT-Centret

Københavns Universitet

“I have worked with Mikael Bæk at Copenhagen University where he worked with IT-support for the History Department. It was a difficult task, as the need for IT-support was depending a lot on the individual. With his obvious IT-skills and his personality, Mikael soon earned the respect from the department, with his ability to help on all levels. I remember Mikael as a person with a refreshing sense of humor, an easygoing personality and a highly professional IT-supporter.” May 29, 2012
